<sup>1</sup> The Central Government was described in the *Informative Motion Regarding Entities Constituting the Central Government of the Commonwealth* [ECF No. 2828] (the “Central Government Informative Motion”). The Central Government Informative Motion listed 88 entities that comprised the Commonwealth. Since then, three entities have either merged with other entities or have been eliminated pursuant to Commonwealth law: (i) the Labor Development Administration was merged into the Department of Economic Development and Commerce; (ii) the Office of Municipal Management was merged into the Office of Management and Budget; and (iii) the Puerto Rico Energy Administration was eliminated by Act 17-2019. Additionally, the Transit Safety Commission does not maintain its own bank accounts as its financial activities are managed by the Puerto Rico Automobile Accident Compensation Administration (“AACA”) which is not considered in scope for the analysis. The Transit Safety Commission enabling act provides that the funding that ACAA assigns to the Transit Safety Commission shall remain under the custody of ACAA. The Public Service Regulatory Board was added to the list because it was created by Reorganization Plan No. 8 dated March 1, 2018.
